

INI COOPERATIVE  
SNOW 13/14

*i.N.i Cooperative is a lifestyle-functional brand that was formed in the summer of 2011. From the beginning, our mission has been to bring high performance / low-impact garments to the consumer market. By focusing 100% of our efforts on environmentalism, we are successfully able to deliver products that are unique and superior, while minimizing our carbon footprint during the development process. At the same time, function, authenticity, and street-influenced style remain core principles of i.N.i Cooperative.*
